Senator Thomas H. Kuchel
California
United States Senate
Washington, D.C.

Dear Mr. Kuchel:

From what I have read, the world will not even begin to consider the validity of the 'one man' theory—all the facts and 'evidence' notwithstanding—until it is demonstrably proved (a bona fide demonstration) that one man—with such remarkable, devastating effect—could have fired the unreliable Carcano rifle three times, at a moving target, within six seconds. Therefore, Senator, use whatever influence you have, please, to put a stop to all the heavy-handed, clumsy F.B.I. 'leaks' which seem to answer (or should I say cover) everything but the most important question of all—the matter of how Lee Harvey Oswald, alone, did what is mentally impossible.

Sincerely,

E. Berling
